OF EMTALA**

Time: 10:00 a.m.
Courtroom No. 8 - 19TH Flr.**

1 I, RONALD M. TORAN, declare:

2 1. Declarant has been a member of the State Bar of California for over twenty-
3 six (26) years and is licensed to practice law in all courts of California. Declarant makes
4 this supplemental declaration in opposition to an award of Sec. 1988 attorneys fees in
5 favor of City and County of San Francisco attorney CASSANDRA KNIGHT, and
6 California Pacific Medical Center attorneys LAWRENCE A. BENNETT, STANLEY M.
7 WESSELS, DAVIDOVITZ & BENNETT LLP. Declarant has personal knowledge of the
8 following.
9

10 2. This morning Friday April 7, 2006, I was advised by Dyana Lew, EMTALA
11 Operation Lead Officer for the Centers of Medicare and Medicaid Services (CMS),
12 located at 75 Hawthorne Street, Suite 408 in San Francisco, California, that the
13 defendant California Pacific Medical Center (CPMC) was cited for violating EMTALA for
14 not providing necessary medical care and services in the form of "stabilizing treatment"
15 to the plaintiff Maria Addiego on September 2, 2004, when she broke her hip at the
16 Davies campus parking garage.
17

18 3. Ms. Lew told me that CMS contracted with the Daly City District Office of the
19 California Department of Health Services (DHS) to conduct an extensive on site
20 inspection of CPMC to determine if CPMC provided emergency services and care
21 pursuant to Maria Addiego's request for help on September 2, 2004. DHS determined
22 that CPMC did not provide stabilizing treatment and that the hospital was in violation of
23 its Medicare Provider Agreement with the Department of Health and Human Services.
24 As a result of DHS' findings, CMS set a preliminary termination date for the CPMC
25 Medicare Provider Agreement on May 21, 2006, and required CPMC to revise its
26 policies and procedures to come into compliance with its Medicare Provider Agreement.
